RE: Jenkins v. Conway,

Dear Judge Hellerstien,

I'm writing to inform and clear up an error that I made when I initially filed my application. I checked the box that I did not testify, when in fact I did testify. I now respectfully ask that this court please correct this error for me within my application.

Thank you for your time and assistance in this regard.

Furthermore, please note that under the penalty of perjury under the laws of the United States of America that I state that both the New York County District Attorney's office and the Attorney General of the State of New York has been served a copy of this letter as part of the court docket.

Executed on October 16, 2007

Very truly yours,

Demetrius Jenkins
